

## Bob's DIY Bird feeder

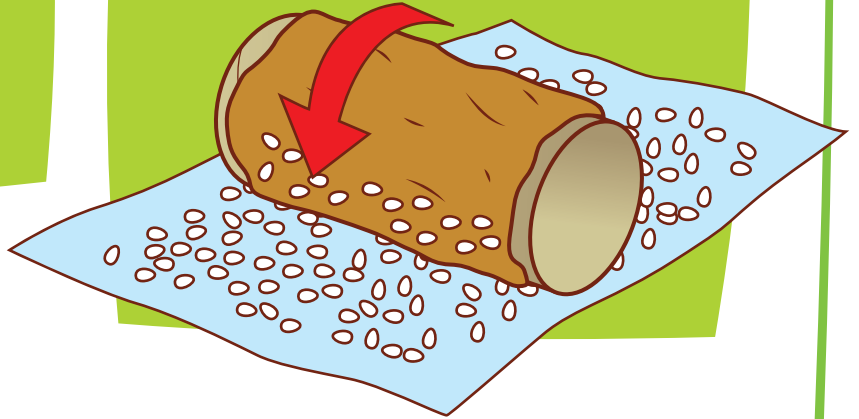

### You will need:

- Toilet paper rolls
- Bird Seed
- Peanut butter
- Spreading tools

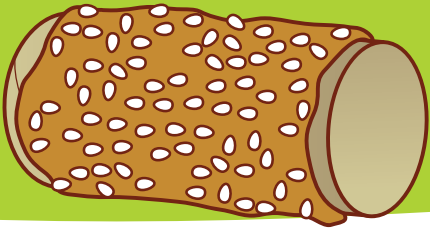

1. Carefully spread peanut butter on the toilet paper roll.

2. Once covered, roll the toilet paper roll in bird seed.

3. Once the feeder is covered in seed it is ready to be hung.

4. Hang outside and enjoy!

**SAFETY:** Please remember that it's important to always work under adult supervision
