LarryBoy Mask

Now you can be LarryBoy at home! Follow the instructions on page 2 to create your own mask.

LarryBoy Mask Instructions

You will need: scissors, tape, glue or stapler, string or yarn, and a pencil or pen

1. Cut out each part from pages 1 and 2.

2. Cut out eye holes and using a pencil or pen punch the small black holes left and right on the face.

3. Using tape, glue or stapler, attach the plungers and top fin as shown here (matching A to A, and so on.).

4. Using string or yarn, attach left and right and use to tie around the back of your head.
