

Junior's HOMEMADE PLAY DOUGH

What you'll need to make Homemade Play Dough:

- Large mixing bowl
- 4 cups flour
- 1 1/2 cups of salt
- 1 cup water
- 2 to 4 tablespoons of cooking oil
- Food coloring

Instructions:

- Pour water into a large mixing bowl.
- Next add food coloring. Once you add the food coloring to the water, stir well.
- Add the dry ingredients (flour and salt) to the mix. Stir a little to begin mixing the ingredients.
- Next add 2 to 4 tablespoons of cooking oil.
- Mix and mold the ingredients together until a soft dough is formed.

To store, simply roll the dough into small balls and keep in plastic bags or a plastic container!
