

Watermelon Lemonade

Ingredients:

- 6 cups 1-inch cubes seedless watermelon (from about a 5-pound melon)
- 1 (10-ounce) bottle lemon juice
- 3/4 cup cane sugar
- Crushed ice

Directions:

1. Blend watermelon and lemon juice in blender until smooth, then transfer to large container or pitcher.
2. Add 6 cups water and 3/4 cup sugar, stir until dissolved.
3. Pour over ice in tall glass.
4. If desired, garnish with mint or thin slices of watermelon.
5. Serve and enjoy!

SAFETY: Please remember that it's important to always work under adult supervision
