

Larry's Hot Cocoa

You will need

3 ½ cups sugar, 2 ¼ cups of cocoa,
1 tablespoon of salt, and whole milk.

Directions

- In a large bowl mix all dry ingredients.
- For individual serving: pour 1 cup of whole milk in a microwavable safe mug until it gets hot. Add 2 tablespoons of your cocoa mix and stir until it dissolves.
- On a cold night add marshmallows or peppermint for extra flavor!

SAFETY: Please remember that it's important to always work under adult supervision
