

Snowy Day Window Decorations

You will need

Contact paper, painter or masking tape, cotton balls, cotton swabs cut in half cut in half, a window and scissors.

Directions

- Tape contact paper to a window with the sticky side out
- Have your child decorate your window by sticking cotton balls, cotton pads, and cotton swabs to the contact paper to make snowflakes and snowmen.
- Get creative! Use buttons, ribbon, or anything that sticks!

SAFETY: Please remember that it's important to always work under adult supervision
